ORDER

15 The Court has reviewed Plaintiff's Joint Motion for Extension of Time for Service
16 (Doc. 10). Plaintiffs request an extra 60 days to complete service of process. However,
17 they have already had 90 days. Additionally, the events underlying this case took place in
18 2017. According to their Complaint, Plaintiffs have been working with the Department of
19 Interior through the administrative process to resolve this claim. When it was not resolved,
20 Plaintiffs filed this claim six months after final denial by the Department. Plaintiffs have
21 had plenty of time to prepare their case. Nevertheless, the Court will grant Plaintiffs a 30-
22 day extension of time.

23 **IT IS ORDERED** granting Plaintiffs' Joint Motion for Extension of Time for
24 Service (Doc. 10) in part, the deadline for service of process is extended for 30 days from
25 the current deadline of April 12, 2022.
